1st July 2018

One of the secrets of a long and fruitful life is to forgive everybody everything every night before you go to bed.

The Thirteenth Sunday in Ordinary Time. Year B.

Today's gospel offers us two stories of the healing miracles of Jesus showing us something of how God's grace can enter our lives and transform our situations. We can all recall times when we were struggling, whether it be with a relationship or illness. We needed something to move us, to help us forgive, to help us walk away or to relieve us of physical pain. In the end it can be the simple gestures that save us: a kind word, someone praying for us, a gentle touch or we reach out to someone and like the woman with the haemorrhage, we suddenly feel within ourselves that we are healed.

The woman is physically healed through her faith-filled action but Jesus reaches out to her in another way by calling her 'Daughter'. He restores her status among the people. (Intercom; Jane Mellett.)

Data Protection Legislation came into force recently. Among the requirement is that the written consent of people whose names are published in the Newsletter be obtained, for example, Ministers of Holy Communion, Readers, Altar Society, Collectors, those involved in looking after church Grounds. Consent Forms will be left in the Sacristies in each of the Churches. The consent form is an essential element of Data Protection compliance. The Consent form is very short and only takes a few moments to complete and can be completed after any of the Masses. I would be very grateful if you could treat the completion of this form as a priority. Any time you are at Mass you may call in and fill the form.
