11th June 2017

There is no such thing
as a bad day, just bad
moments that we insist
on carrying all day.

Η ΑΓΙΑ ΤΡΙΑΣ

The Most Holy Trinity.

God so loved the world. . Perhaps that is the only message we need to believe with all our hearts in order to be saved. Pure and simple: we are saved through love. Well, perhaps not so simple; love is costly. It costs our entire self given freely. "God so loved the world that he gave his only Son. . "And in giving his only Son he is giving a part of himself. Is that not what we all do when we love? We give a piece of ourselves. And does not true love always save in some small way? The Trinity is this beautiful vision of the three divine persons sitting around inside each other in loving communion. And so on this wondrous Feast of the Trinity allow God to save you. Allow God to love you.

The above icon of the Trinity was painted around 1410 by Andrei Rublev.
