Every Family should prominently display in their home a plaque that says "Love entails suffering"
Mark Link

The twenty Fourth Sunday in Ordinary Time

Peter says of Jesus; "You are the Christ." While Peter's statement is correct. It merely scratches the surface of understanding the real identity of "the Christ." When Jesus speaks of his suffering and death, Peter rebukes him, as much as saying that suffering is beneath him. But Jesus will not be swayed from the cross and the pain that goes with it. Only when we accept the cross as part of Jesus' true identity, and take up our own, will he really know what we think of him.
