Many of life's failures are people
who did not realise how close they
were to success when they gave up.
Thomas Edison

The Fourth Sunday of Lent

Out of death comes new life. Have you ever seen someone come back to life? It may have been a friend who got over a really tough break up or someone who after many months of grief started to get their life back together again. Resurrection is all around us, all the time. As Christians we are called to be resurrection focused. There are always ways to turn a situation around, to make things right, to strive for life again and again. This is the vision that Jesus gives each of us, to love and hope rather than despair. (Intercom)

We would like to ask parents to become involved in a small way at training sessions, if they can, by keeping an eye on safety off the pitch, one parent is needed every week. Anyone who could get involved directly with coaching would also be appreciated. We are also hoping to have tea/coffee available every week so it can be a more enjoyable experience for parents staying on to watch the sessions.
