Parish Cemeteries: A map of Kilronan Cemetery can be viewed at the back of Keadue Church and a map for Arigna cemetery is available at the back of Arigna Church. Everyone who has a loved one or a neighbour buried in these cemeteries should check the map to make sure that their plot(s) and names are recorded properly. There are forms available in the church to enable you to record any corrections that you wish to make. The completed form can be left in the church or dropped in the offertory basket or into the Parochial House or given to any member of the Parish Pastoral Council. Also if you can identify any of the unmarked graves it would be great help; please fill in a form giving whatever details you have. When all the information has been gathered, a permanent map of the graves will be placed in each cemetery and the website will be updated accordingly. The closing date for receiving information is 16th June. Family plots in Kilronan and Arigna cemeteries can also be viewed on line. There is a direct link to each cemetery from the parish website www.kilronanparish.ie.
